Referral Policy

We request that you follow these steps when referring a patient to our hospital in order that we may provide the best care possible, quickly and efficiently.

- 1) Please complete our "Referral Request" form, it can be downloaded and printed, then faxed, or it can be filled out online and emailed to us.
- 2) Please ensure that we have been given all pertinent information in a timely manner so that we are able to quickly assess the request and assist your patient as quickly as possible.
- 3) After faxing or emailing your request, please contact our hospital to ensure that your request was received and is being processed.
- 4) We will contact your client directly to schedule a specific time for the required procedure(s).

Thank you for indicating your confidence in our practice by referring your client and patient to our hospital.
